

"TEACHERS IN - SERVICE PROGRAM" at CKCET Cuddalore

IEEE Madras section and CKCET IEEE student branch sponsored “**Teachers in Service Program**” (TISP’15) was held at CK College of Engineering and Technology, Cuddalore on 22.12.2015 by the Department of Electronics and Communication Engineering. The programme was conducted for Higher Secondary School students to create awareness in the field of Engineering. Students who belong to six different schools (126) situated in Cuddalore district participated in the programme and got benefited. The function started with a prayer song. **Dr. N. Mahendran**, CKCET IEEE Students Branch counselor welcomed the gathering. **Dr. G. Sasikumar**, HOD/MECH and **Dr. R. Murugan**, HOD/CSE have delivered the Special addresses. **Dr. Arun V. Parwate**, Principal of CK College of Engineering & Technology delivered the keynote address in which he mentioned the importance of engineering in daily life. **Shri. D. Chandrasekaran**, Director, CK Educational groups delivered the felicitation address in which he said the simplest way to succeed is to respond to situations, rather to react. **Dr. N. Kumarappan, Secretary & EAC chair**, IEEE Madras section presided over the function. Dr.N.Kumarappan delivered a speech on the topics "**Understanding IEEE**" and "**Engineer your classroom**". In his speech he explained the scope and importance of Engineering in modern world.

In the afternoon, practical sessions were conducted which gave an opportunity for students to come to know about the projects that prevail in the field of Engineering. Students were split into teams of four members and asked to construct a **windmill** and build solar **car**. Two teams who have completed the given task in minimum time were awarded with prizes. In the valedictory function the school students and faculty members gave feedback. Mrs.J.Rajalakshmi, Associate Professor/ECE, CKCET delivered vote of thanks. The entire programme was coordinated by the IEEE Student Branch coordinator Mrs.P.Jegadeeshwari.
