About the IEEE

The Institute of Electrical and Electronics Engineers Inc. (IEEE), a non profit organization, is the world's leading professional association for the advancement of technology. IEEE offers a wide range of learning, career enhancement, and employment opportunities within the engineering sciences, research and other technology areas.

The goal of these programs is to ensure the growth of skill and knowledge among professionals and to foster individual commitment to continuing education among IEEE members, the engineering and scientific community and the general public. IEEE provides various university and corporate partner programs, online learning resources and certificate programs through its continuing education offerings for students and professionals. These continuing education offerings also provide access to technical courses at conferences and section meetings, society education programs and various print materials. The IEEE has more than 377,000 members in 160 countries. The IEEE publishes more than 1,000 leading-edge conference proceedings every year, which are recognized by academia and industry worldwide as the most vital collection of consolidated published papers in electrical engineering, computer science and related fields. Student branches provide an opportunity for student members to begin networking in their areas of interest and future profession. There are nearly 2,000 student branches in 80 countries at various educational institutions.

IEEE Madras Section

IEEE Madras Section came into existence in 1973 and has crossed its silver jubilee year. IEEE Madras Section has an active membership of 2777 life/ senior members/ members. The student membership is around 8154. The IEEE Madras Section conducts technical lectures, symposiums and conferences by eminent personalities from several fields.

The section is concerned about the welfare of the students in this part of the country and wants to improve the teaching learning process in the Engineering Colleges and Universities. With this in mind, the section is organizing Faculty Skill Development Programme (FSDP) for the teaching faculty members of Engineering Colleges and Universities in Tamilnadu.

About the Faculty Development Programme

Teaching-Learning is an important process in academic institutions. Transfer of knowledge takes place from the teacher to the students only when the teaching is effective. The young teachers need orientation and training for effective teaching. As a service to the teaching community in the engineering institutions, the IEEE Madras Section in association with IEEE Student Branch, Sona College of Technology is organizing a Faculty Skill Development Programme (FSDP) on the topic "**Exploring the Role of Language Lab in Training the Students in Language Skills**". This one day FSDP will be an excellent opportunity to get substantial knowledge of modern methods in language skill development and to create avenues for teachers to explore current trends in training the students in Language skills.

Course Contents:

- Introduction to language lab software and facilities
- Hands on experience in using broad casting software
- Capturing individual presentation and broad casting
- Converting text to speech using software

Participants

Faculties from various Technical Universities/Engineering Colleges and Arts Colleges of Tamilnadu can participate.

Course Fee

There is course fee of Rs.400/- for IEEE members and Rs. 500/- for non-IEEE members. The fee includes course kit and lunch. The number of seat is limited and the participants will be chosen on a first come- first-serve basis.

Accommodation

Board and lodging will be provided in the Institute Hostels on chargeable basis on request.

Schedule

The course on "**Exploring the Role of Language Lab in Training the Students in Language Skills**" is proposed to be held on 29th August 2015. The program will be for one day with 4 sessions

Registration: 8.45 – 9.15 am

Session 1 – 9.30 – 11.00 am

Session 2 – 11.15 – 01.00 pm

Lunch – 01.00 – 01.45 pm

Session 3 – 01.45 – 03.45 pm

Certificate distribution 04.00 pm

Important Dates

Last Date for Registration : 27-08-2015

Intimation by email : 28-08-2015

Resource Persons

- **Dr.M. Renuga, Professor & HOD,**
Department of Humanities and Languages,
Sona College of Technology, Salem
- **Dr.N.Kumarappan,**
Professor of Electrical Engineering,
Faculty of Engg & Tech,
Annamalai University, Annamalai Nagar.
- **Dr.B. Sathiyabhama, Professor & HOD,**
Department of CSE,
Sona College of Technology, Salem
- **Prof. G. Sarathalakshmi,**
Asst. Professor,
Department of Humanities and Languages,
Sona College of Technology, Salem

How to reach Sona College of Technology.

Sona College Technology is situated at the heart of the "Steel City", Salem, which is a well known district in Tamilnadu, South India. The College is one kilometer away from the Railway Station and three kilometres away from Bus-stand.
