About the Mini POCO

An IEEE conference has Tutorials, Key note speeches and Paper Presentation Sessions. To be successful, the organizer of such events needs to understand the IEEE Conferences Policy and know all the helping channels within IEEE. As part of our effort to improve the management and organization of conferences, IEEE Madras section is organizing a mini POCO, which is a smaller version of POCO (Panel of Conference Organizers), the IEEE annual event for leading scholarly conference organizers around the world. This mini POCO program is designed as a sharing and interactive session for all conference organizers If you want to organize an IEEE Conference and want to get trained on important know how's of conducting a quality event, this event is the right place for you. This one Day event will offer Networking opportunity with the experienced Conference Organizers.

The Sessions in the mini POCO include

- Conference Planning

- Budget planning and Sponsorships

- Challenges in Peer review

- Scholarly Publications

- Tools for Plagiarism check

- Best Practices of IEEE Conferences
